We take great pride in the high-quality products we sell and the excellent customer service our employees offer to our customers. Boulineau's IGA is considered one of South Carolina's most unique grocery stores. Its 90,000 square feet of shopping on two floors feature many specialty departments and two glass elevators that overlook the food court and cafeteria. It's truly a unique shopping complex and boasts the area's most recognizable landmark-the Lighthouse. You'll live in employer-provided housing, which is just a short walk to both your job and the beach. Cultural events include North Myrtle Beach events like July 4th fireworks at the Beach, weekly outdoor concerts at the beach and Movie Night at Local Park.
